Connect to Greatness®, Inc. Chess Club

The Inaugural Connect to Greatness Chess Club was a great success. "Chess is one of the most powerful educational tools that can strengthen a person's mind. It teaches players how to think, analyze, and solve complex problems. It also strengthens academic performance such as mathematical, language, and reading skills, which in return strengthens cognitive skills that increase your IQ." Thank you to Coach Quentin, Coach AJ, Coach Blair, and the City of Boynton Beach Police Department for giving your time and talents to support our boys to be GREAT!

Congratulations Anterious!

Congratulations to Anterious, a 5th grader at Freedom Shores Elementary and one of our Lunchbox Leaders who competed at the Lights Out Boxing in the 75lb weight class. He came home with the belt!! Congratulations Anterious!! He's always striving for Greatness, in and out of the classroom!

2023 National Mentoring Summit

C2G's very own Coach Andre and Coach Scott participated in the 2023 National Mentoring Summit in Washington, DC on January 25-27. The National Mentoring Summit connects leaders with the shared goal of driving positive change for young people as well as learning from one another to explore best practices for strengthening and expanding mentoring opportunities. Thank you Coach Andre and Coach Scott for all that you do to enrich and support our boys!
