Women of Boy's Empowerment Program Brims and Beauties Tea Time

Connect to Greatness® Women of Boys Empowerment Program hosted their first annual Brims and Beauty Tea Time with all the proceeds going towards C2G's 2024 Scholarship Fund. It was a fun-filled afternoon with food, drinks, laughter, dancing, and an educational session on the positive health benefits of tea presented by Dr. Collier. In addition, attendees had the opportunity to hear first hand from C2G mothers and boys about their growth and journey through the C2G program. Finally, there were prizes for the best dressed male and female in attendance. Thank you to everyone who donated and could be a part of this momentous fundraiser to support our boys!
